2010 Edition Now Available on CD-ROM with free PDF Directory

www.businessmonitor.com/dm/dir/indonesia

Business Monitor International (BMI)'s comprehensively updated **Multinational Companies in Indonesia 2010 CD-ROM** provides the latest-available data on 6,060 top executive contacts at 1,680 leading US, European and Asian multinational companies in Indonesia, their regional and global head offices, plus the largest national companies.

"The CD-ROM has proved extremely useful. We use it mainly for targeting clients, and with this product our boundaries are limitless. Keep up the good work!"

Knowledge Co-ordinator, Deloitte & Touche.

Key Benefits for your Sales, Marketing, HR and Finance Teams:

- **Source 6,060 profit-generating new business leads** including customers, clients, recruitment contacts, joint-venture partners, suppliers and acquisition targets from the top multinational companies in Indonesia.
- **Benchmark your peers and competitors** against 1,680 companies using individually researched competitive intelligence detailing ownership, company size and sales volume, expansion strategy, key partners, main products and services, and more.
- **Use the CD-ROM to search, segment, copy, print and export data** by company name, 34 industry classifications, 30 nationalities, job function, employee numbers or sales revenues.

Dataset provided for each company listed:

- Full company name
- Full postal address
- Telephone/Fax number
- Emails/Web addresses
- Year of local registration
- Employee size estimates
